# St. Mary's Park Improvement Club

1941 PARK BELL 1991

Dear Residents and Members:

Happy New Year to all. Another year, 1993, is now history. As we enter the new year, 1994, it is again time to think of collecting the annual dues for "St. Mary's Park Improvement Club". Let's do more in '94. Our Club has been in existence for 52 years. Our Club is in no way the largest neighborhood club in San Francisco, but it is the team work, support and volunteer work by everyone that makes it unique in many ways. For instance:

- We have a very colorful bulletin issued 9 times a year. Some clubs in San Francisco issue their bulletin 4 times a year.
- Our dues are still only \$10 per year/per home. Other clubs in San Francisco are \$15 to \$25 per year.
- Our Club meets once a month (except January, June, July and August). Some other clubs have the same meeting schedules, some meet each month of the year. Some have a Board of Directors which meet every month with a general membership meeting annually.
- Our Club arranges for Santa Clause to visit the Park each year.

We should all feel proud of our Club and the accomplishments it has made over the years as a result of working together as a team. Remember, the Club is your Club. Everyone living in the Park is considered a member of this wonderful organization. You are all welcome to attend the monthly meetings (see bulletins for time, date and place). Come to the meetings and participate, listen, learn, meet and talk with your neighbors before and after the meeting. Remember, the Club dues are only \$10 per year. This figures to \$0.83 cents per month. The payment of dues helps defray the expense of:

- Printing the inside news section of our monthly bulletin
- Delivering the monthly bulletin to members
- Expenses related to the maintenance of the grassy islands in the Park
- Buying candy canes for Santa Claus and the rental fee for the loud speaker system used during his trip around the Park
- Miscellaneous expenses needed for postage stamps, coffee, tea, flags, etc.

Please find enclosed a self-addressed envelope to return your payment. Please make checks payable to "SMPIC". You may mail your payment, or if you desire, you may drop it in the mail slot at 144 Murray Street, or 418 College Avenue.

Thanking you in advance for your time and attention to this important matter, I remain

Very truly yours,

*Guido Guinness*  
Chairman, Dues Collection
